

## **TIER I**

### **Steps to initiate the process of behavioral planning**

- Set students' expectations and classrooms rules.
- Teach, practice and reinforce these expectations and rules.
- Establish routines and procedures for different activities and environments. Ex: centers, cafeteria, Dear Time, restroom .etc.
- Explain positive and negative consequences to students.
- Follow C.H.A.M.P.S discipline plan for classroom management.
- After 10 to 12 weeks identify the students who do not follow the CHAMP discipline plan. Write a brief explanation with student's name and the destructive behavior to RTI Team.
