Field 2	<p>Lottery procedure: Applications from new students are accepted from May 15th through June 15th. If the number of eligible applicants does not exceed the number of vacancies, then all applicants who timely applied are offered admission. If there are more eligible applicants than available spaces in a class, then a lottery will be conducted on Monday following June 15th. A name is drawn for each vacancy that exists, and each applicant whose name is drawn is offered admission. The remaining names are then drawn and placed on a waiting list in the order they were drawn. If a vacancy arises before the commencement of the school year or during the school year, the individual on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list. If an application is received after the application period has passed, the applicant's name is added to the waiting list behind the names of the applicants who timely applied. Applicants are not required to provide copies of transcripts or other academic records prior to enrollment. In addition, a student will not be precluded from enrolling due to DRAW Academy Charter School's failure to receive the information required for enrollment from the student's parent and/or previous school.</p> <p>Procedimiento de loteria: Las aplicaciones para estudiantes nuevos son recibidas desde Mayo 15 hasta Junio 15.
