

Let's get started.

STEP 1: Unlocking your device

Depending on your iPad you might have the 4- or 6-digit passcode use the following to unlock the iPad

|||| (number 1 four times) or ||||| (number 1 six times)

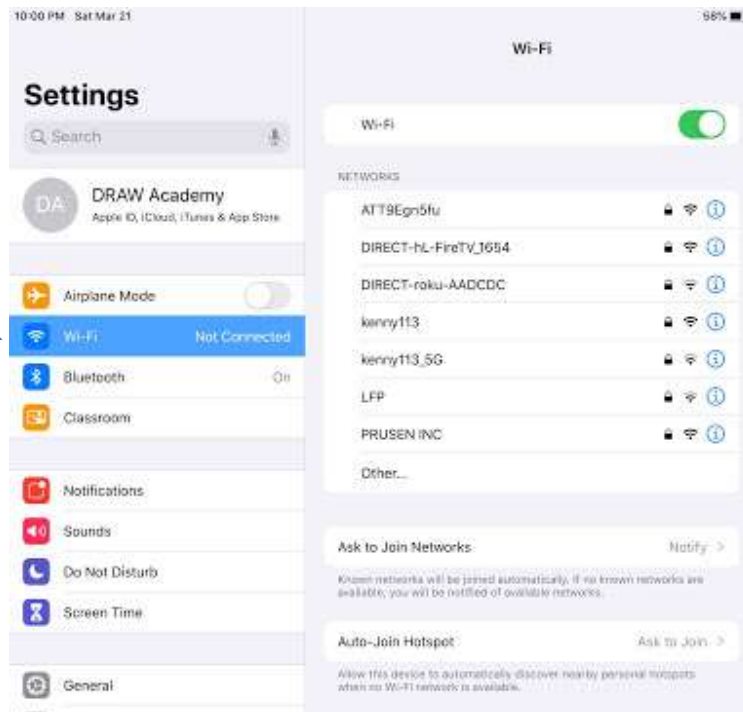

Step 2: Connection your iPad to your WIFI

Click on the settings icon

Click on Wi-Fi

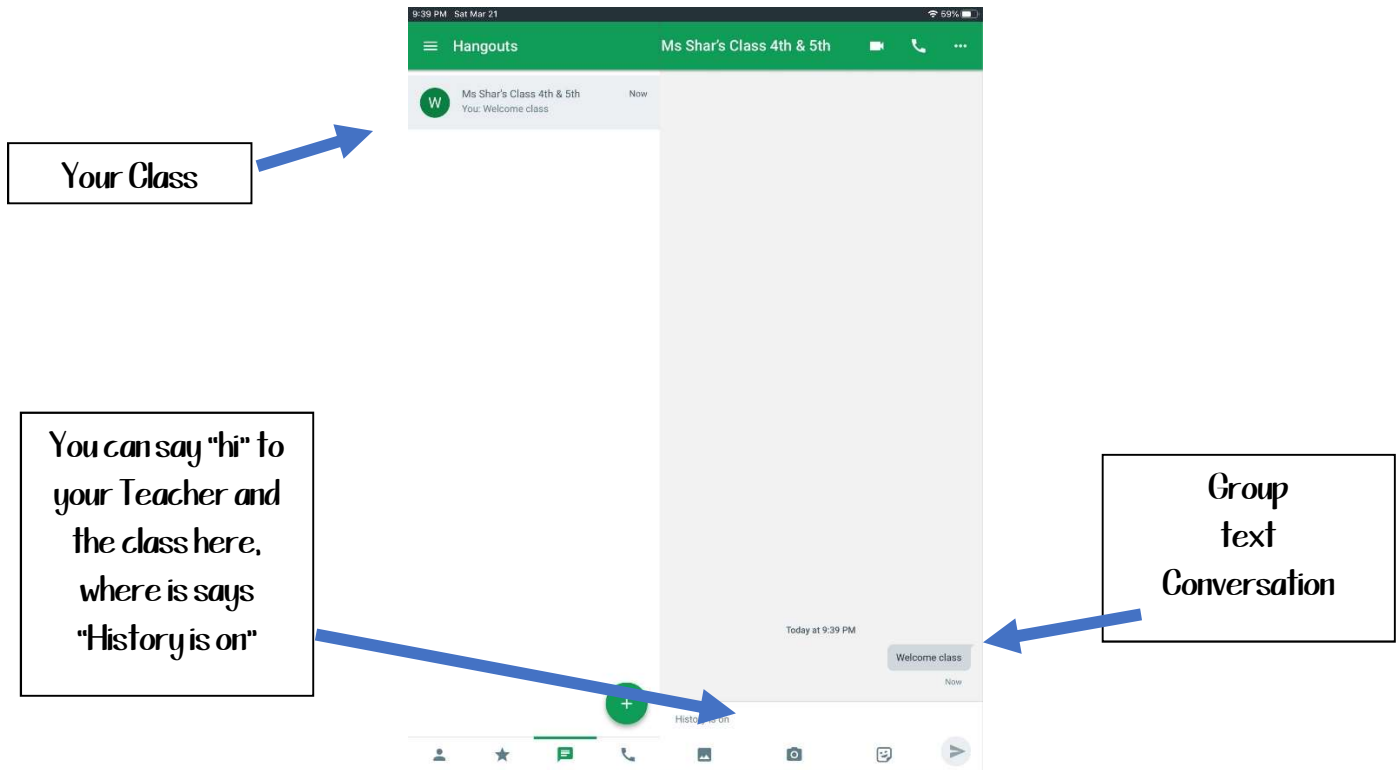

Select your Wi-fi
and input your
password

Step 3

Look for the app called Hangouts and click on it

Here you can communicate with your teacher via text, phone or video call

From here your teacher will direct you to the apps you going to be using for the day.

Here is the list of apps you can ONLY use

Do not use this apps
