LOTTERY PROCEDURE :::: PROCEDIMIENTO DE LOTERIA ::::**NEW STUDENTS ARE SUBJECT TO OUR LOTTERY PROCESS, FORMER DRAW STUDENTS DO NOT PARTICIPATE IN THE LOTTERY.**

Pre-enrollment applications for new students in every grade level are accepted from April 15th to May 15th. If the number of eligible applicants does not exceed the number of vacancies, then all applicants who timely applied, are offered admission. If there are more eligible applicants than available spaces in a class, then a lottery will be conducted on Monday after May 15th. A name is drawn for each existing vacancy and each applicant drawn is offered admission. The remaining names are then placed on a waiting list in the order they were drawn. If a vacancy arises before the first day of the school year/during the school year, the individual on the waiting list with the lowest number will be offered admission and removed from the waiting list. If an application is received after the application period has passed, the name is added to the waiting list behind the names of the applicants who timely applied. Applicants are not required to provide copies of transcripts or other academic records prior to enrollment. In addition, a student will not be precluded from enrolling due to DRAW Academy failure to receive the information required for enrollment from the student's parent or previous school.

LOS ESTUDIANTES NUEVOS ESTAN SUJETOS AL PROCESO DE LOTERIA. ESTUDIANTES QUE YA HAYAN ASISTIDO A DRAW NO PARTICIPAN DE LA LOTERIA.

Las aplicaciones para estudiantes nuevos en todos los grados son recibidas desde Abril 15 hasta Mayo 15. Si el numero de aplicantes elegibles no excede el numero de vacantes, todos los aplicantes son admitidos. Si hay mas aplicantes elegibles que espacios disponibles en la clase, se realizara una loteria en el lunes siguiente a Mayo 15. Un nombre es sorteado por cada espacio disponible y a cada uno se le ofrece admisión. Los nombres restantes son sorteados y anotados en una lista de espera. Si ocurre un espacio disponible antes del comienzo o durante el año escolar, se le ofrece al estudiante en la lista de espera con el número menor. Si una aplicación es recibida después del periodo de aplicaciones, su nombre es agregado al final de la lista de espera. No se requiere que los aplicantes presenten copias de sus records académicos previo a su admisión. Adicionalmente no le será impedido a ningún estudiante la admisión aun si DRAW Academy no recibe la información requerida para su admisión de parte de los padres del estudiante o de la escuela previa.
